

Stakeholder responsibilities

I, Antony Robert, agree to be the Stakeholder for the project Online Medical Profile. As the Stakeholder, I agree to signoff on completed user stories and meet, briefly, with the students at the end of every two week iteration to discuss the progress of the project (meetings can be on the phone). I will also do a set of initial meetings to determine the core features and user stories. I am committed to the full term of this project, from September 2017 to the end of April 2018.
